

SHIELDTEC[®] FOR Plus DOGS

COMPLETE PROTECTION

AGAINST FLEAS, TICKS & MOSQUITOES

KILLS

Compare to K9 Advantix[®] II

Repels & Kills Fleas, Ticks, & Mosquitoes.

ShieldTec[®] Plus for Dogs provides superior protection against flea, tick, and mosquitoes at an affordable price. ShieldTec Plus for Dogs harnesses the power of two active ingredients. The primary ingredient kills and repels adult fleas, ticks, mosquitoes and lice, while the other ingredient, an insect growth regulator prevents new infestations by destroying eggs and larvae. ShieldTec Plus for Dogs also protects against blood feeding mosquitoes, a vector of heartworm. Each package contains three-doses, each dose lasts for up to four weeks for a total of three months of protection.
